<p>Tips and Notes</p>	<ol style="list-style-type: none"> 1. Shop at home: Reuse items you already own. 2. Get creative. 3. Wait for back to school sales. 4. Buy supplies in bulk. 5. Say no: You may find it difficult to say no to your children, but they do not need the latest and newest of everything. 6. The school may ask you to supply more of certain items during the year such as glue sticks, pencils, erasers, etc. 7. There are no refrigerating or re-heating facilities at the school for the students' meals.
